MEMORANDUM FOR: CDR, 3-14 IN

SUBJECT: MILITEC OIL

1. Militec oil is a good product. Some of the attributes that Militec oil has over BREAK FREE (CLP) is as follows:

- a.) Reduced misting from the lubricant when the weapon is fired. ✓
- b.) The carbon build up from firing a weapon is easier to clear off of the bolt assemblies. ✓

2. To date, I cannot make an accurate determination of reduced weapons malfunctions with use of MILITEC oil over BREAK FREE (CLP).
